RE: Books Galore

Mrs. Jimenez recently applied to receive a classroom grant titled “Books Galore”. She was recently informed that her project has been fully funded in the amount of \$462.00. The grant monies will be used to purchase library books which will enhance the print-rich classroom library in Mrs. Jimenez classroom. Mrs. Jimenez intends to use these funds to purchase multiple sets of rich literature novels that will help give her students access to endless hours of reading. Through the use of these books students will be able to improve their reading fluency and comprehension skills. This will help them become more confident and independent readers. It will in turn help to improve their overall end of year testing scores and performance. The items detailed as follows are the associated cost that these monies will be applied to. These monies have been awarded to Mrs. Jimenez through the Donors Choose Organization.
