Re: Firewall Replacement Bid Results – 2013 Bond

I am requesting the District-wide firewall purchase be placed on the agenda for the May 13, 2019 Committee of the Whole meeting. This is a follow up from the Study Session of May 6, 2019.

The bids for a new District-wide firewall solution, funded from the technology budget of the 2013 Bond, were opened on April 16, 2019. Barton Malow, the District's technology consultant for 2013 Bond work, and the District's Information Technology Department are recommending to move forward with Sentinel Technologies, Ann Arbor, Michigan. I have invited Tim Klan, Administrator of Information & Educational Technology, to join me at the Committee of the Whole to discuss the item with the Board. Please add this item to the agenda.

Feel free to contact me if you have any questions.
