DISTRICT 709 FIELD TRIP REQUESTS

In accordance with School District Policy District 6160, District 709 recognizes properly planned, well conducted, and carefully supervised field trips may be a vital part of the curriculum. School field trips are encouraged within available resources and requirements outlined below.

DIRECTIONS: All staff are required to submit a Field Trip Request **prior** to the field trip being finalized with the involved students and to:

- > Receive administrative and/or extra-curricular coordinator approval for all instructional and supplementary field trips
- > Receive administrative reviewal and school board approval for all extended trips (Exceptions may be granted by the school board chair to accommodate emergencies.)

DEFINITIONS:

<u>Instructional Trips</u> - Trips that take place during the school day, relate directly to a course of study, and require student participation. Fees may not be assessed against students.

<u>Supplementary Trips</u> - Trips in which students voluntarily participate in and which often take place outside the regular school day, but do not include overnight stays. Financial contributions may be requested of students.

<u>Extended Trips Within Minnesota and Continental United States</u> - Trips that involve one or more overnight stops within Minnesota or the Continental United States and may be instructional or supplementary and are voluntary in nature. Extended field trips require school board approval prior to the trip.
