Re: Teaching position change

Earlier this Spring Mrs. Linda Hopper requested and was approved that she be allowed to move from her 6th Grade teaching position at AD Hay to the open LHS/DMS Language Arts position for the 2020-21 school year.

Recently, Mrs. Hopper offered to teach the 8th grade US History/10th grade World History position vacated by Mrs. Warner. Mrs. Hopper and I had two discussions on the topic we concluded that with her degree in the Social Sciences, that this change would be a strong fit for her and our students.

I would like to recommend the position transfer of Mrs. Linda Hopper for the 2020-21 school year for the 7th/9th Grade Language Arts position to the 8th Grade US History/10th Grade World History position.
