Subject: Annual Investment Review

MISD Board of Trustees: August 18, 2026

Agenda Item – 9A3

Background Information

Board Policy CDA requires the review of an annual investment report for the previous year. The annual investment report is to include:

- A performance evaluation of yields compared to benchmark rates
- Activities over the past year and total yield
- Suggested policies, strategies, and improvements that might enhance the investment program for the ensuing year

The annual investment report is attached for your review. The Board also receives a quarterly investment report that shows additional information.

Board policies regarding investments are [CDA \(Legal\)](#) and [CDA \(Local\)](#). These are available online for review.

Fiscal Implications

None

Administration Recommendation

Acceptance of annual investment report and approve adoption of the Resolution of the Board Regarding Review of the Investment Program
