Hi Nicholas,

Would you give me the particulars here so that we can get this retroactively approved at the June Board meeting?

Thanks,

Robin,

I'm sorry, I thought that it only needed to be approved by Kathy. Here are the details. I hope this is what you were looking for.

Nicholas

Corbett Music Trip 2023

Members of the HS Strings, Wind Ensemble and Choir were all invited to attend this trip, regardless of financial concern. Multiple group fundraising events occurred during the school year. Those students who requested additional assistance to help pay for the trip have been accommodated.

Depart June 4th and Return June 7th

These dates were chosen so musicians would not miss any days of school.

Flying on Southwest Airlines

Staying at The Anaheim Hotel

While at Disneyland, musicians will perform on stage inside of Disney California Adventure.

Musicians will also participate in a Sight Reading workshop in a professional recording studio. The Workshop will be conducted by a professional studio musician who will talk with the kids about career opportunities in music as well as give them pointers about sight reading music. At the end of the recording session musicians will get to watch clips of Disney movies with the soundtrack replaced by the recordings they just made.

Musicians will also have free time in the parks.

The nurse has been contacted and all medical situations have been discussed.

We have 5 Chaperones and 2 Directors accompanying the group.

Chaperones:

Sarah Bustamante

Thomas Bustamante

Susie Dodson

Mindy LaFramboise

Lydia Stevens
