

513 STUDENT PROMOTION, RETENTION, AND PROGRAM DESIGN

I. PURPOSE

The purpose of this policy is to provide guidance to professional staff, parents, and students regarding student promotion, retention, and program design.

II. GENERAL STATEMENT OF POLICY

The school board expects all students to achieve an acceptable level of proficiency. Parental assistance, tutorial and remedial programs, counseling and other appropriate services shall be coordinated and used to the greatest extent possible to help students succeed in school.

A. Promotion

Students who achieve at a level deemed acceptable by local and state standards shall be promoted to the next grade level each year.

B. Retention

Students who do not achieve at a level deemed acceptable by local and state standards shall be retained at the current grade level, when professional staff and parents feel that it is in the best interest of the student. Scholastic ability and achievement, physical development, maturity, cultural norms, emotional factors as well as attendance and age shall be considered.

C. Program Design

1. The superintendent, with participation of the professional staff and parents, shall develop and implement programs to challenge students that are consistent with the needs of students at every level. A procedure for screening and identifying **process to assess and evaluate** students for the program assignment shall be developed in coordination for such programs. **All programs will be aligned with creating the World's Best Workforce.**

2. **The school district will adopt guidelines for assessing and identifying students for participation in gifted and talented programs. The guidelines should include the use of:**

- a. **multiple objective criteria; and**
- b. **assessments and procedures that are valid and reliable, fair, and research based. Assessments and procedures**

should be sensitive to under-represented groups, including, but not limited to, low-income, minority, twice-exceptional, and English learners.

3. The school district will adopt procedures for the academic acceleration of gifted and talented students. These procedures will include how the district will:
 - a. assess a student's readiness and motivation for acceleration; and
 - b. match the level, complexity, and pace of the curriculum to a student to achieve the best type of academic acceleration for that student.

4. The school district will adopt procedures which describe the comprehensive evaluation in cognitive, social, and emotional development domains to help determine a child's ability to meet kindergarten grade expectations and progress to first grade in the subsequent year for early admission to kindergarten or first grade of gifted and talented learners. The procedures must be sensitive to under-represented groups.
