Celebrations/Shout Outs:

Teacher Appreciation Week was the week of May 4-8. An extra special thank you to all of our teachers who make a difference in the lives of our Medford students.

Thank you to Ellen Hansen for organizing our MCA testing sessions again. There is a lot of work that goes in behind the scenes making sure that we are creating supporting learning/testing environments for all of our students.

MCAs started on April 21st with Reading, followed by Math last week. Our Science MCAs for 5th grade will be administered this week.

A special thank you to all of our families who donated prizes for our first annual “MAY”-Ke it Count Tiger Pride initiative. There were almost 50 items donated by families that students were able to earn by having their name entered into a drawing for each Tiger Pride ticket that they earned!
