Re: National Competition for FBLA Students

Dear Neah-Kah-Nie School Board:

It is with great pride and enthusiasm that we write this letter. Under Ms. Stevie Jackson's tutelage, thirteen Neah-Kah-Nie High School students have qualified to compete at the national competition for the Future Business Leaders of America. This year's competition will be held in Atlanta, Georgia, June 26-July 3rd, 2016.

On April 8th and 9th, Neah-Kah-Nie FBLA members participated in the state competition in Portland.

The Future Business Leaders of America is an exemplary organization for our students. Not only are the students exposed to important business skills, but they are coached on proper business behavior and attire as well. The emphasis on dignified self-presentation bolsters self-esteem and offers invaluable experience when forging ahead with future careers.

As parents, educators, and community members, I know we are all extremely proud of our students. Neah-Kah-Nie consistently produces students who are able to achieve and compete with schools of all sizes. The amazing years of success both statewide and nationally for our National Ocean Sciences Bowl, Speech and Debate, and Future Business Leaders of America teams have established a tradition of excellence in academic competition.

These events can be expensive. Students and their families will need to raise approximately \$21,000.00 between now and mid-May in order to pay for the costs of competition, travel and lodging. While students and their families do their best by organizing fundraisers and contributing personal funds to these worthwhile causes, support from other sources is often necessary. The Neah-Kah-Nie community has an admirable track record regarding financial support of students who have qualified to compete in these prestigious events.

Would you be willing to contribute to the success of our students? If so, please contact Delpha Corwin, Neah-Kah-Nie High School at 503-355-2272.

Thank you very much for your time and consideration.

Sincerely,

2016 FBLA National Student Competitors

Students competing in Nationals and Categories:
