6th- 3
7th- 5
8th- 10

ISAT and ISAT Interim

Our staff is giving the final rounds of ISAT interim post tests. We have seen great growth from our students and believe this practice will positively impact our official ISAT results. ISAT science for grades 5 and 8 will be given the week of March 15th. ELA and Math will begin on April 20th.

Girls Going Tech on Monday, March 8th

Micron's Girls Going Tech workshops present students with information about careers in technology and interactive STEM activities. The career presentations are provided by women that work in technical fields at Micron. The activities are led by Micron employees from various backgrounds. This year the sessions will be virtual.

Parent Teacher Conferences by appointment only

Conferences are March 11th and staff will set up appointments with parents of students who are struggling and parents who would like to meet. Conference slots are 5-10 minutes per parent. We look forward to next year when we are able to hold our traditional conferences in the lunchroom.
