School(s): High School

Grade(s): 10-12

Course Title: Chamber Strings

Describe the process that led to this request for a new course:

Chamber Orchestra is an ensemble that fills the niche of a community service performance group much in the same way Jazz Ensemble and Chamber Choir operates. It is a zero hour course that students have been involved with for the past two school years. Requesting to make it official and giving kids credit for the work they are already doing seems the next logical step.
