Re: Approve Boys Volleyball Coach - Mark Melsa

Recommendation:

It is the recommendation of the Superintendent to approve Mark Melsa as 2024-25 Boys Volleyball Coach at a stipend of \$2220.00.

Background Information:

Mark Melsa has coached children in a variety of sports, including baseball and t-ball, soccer, football and volleyball. Additionally, as he has raised his children he has been involved in the scouting programs. Mark has coached volleyball at the junior high and upper elementary levels for both boys and girls teams. Several of those teams were in their respective playoffs and won championship games. His philosophy on coaching, especially at this level, is that the first and foremost goal is to teach the game/sport and foster a passion for playing. We are excited to recommend Mark as a leader for this program.
