

FREEDOM OF SPEECH/EXPRESSION

Free inquiry and exchange of ideas are essential parts of a democratic education. The School Board respects students' rights to express ideas and opinions, take stands, and support causes, whether controversial or not, through their speech.

Student liberties of expression shall be limited only as allowed by law in order to maintain an orderly school environment and to protect the rights, health and safety of members of the school community.

(cf. 1325 - Advertising and Promotion)

(cf. 6145.5 - Organizations/Associations)

Student free speech extends to religious expression. Students may pray or practice other religious expression when not engaged in school activities or instruction, subject to the same rules of order and decorum that apply to other private expressive activity.

The Superintendent or designee shall develop due process procedures for resolving disputes regarding student freedom of expression.
