Dear Mr. Smith,

This is to confirm that at the conclusion of the Chemical Stockpile Emergency Preparedness Program (CSEPP), all safety surveillance cameras, control computers, monitoring devices, and support software purchased by Morrow County for use in Morrow County schools shall become the property of the Morrow County School District. I look forward to meeting with you, officials from the Umatilla-Morrow Education Service District, and the Morrow County Sheriff's Department to develop operational procedures for utilizing the new camera system. If you have any further questions, please feel free to contact me at any time.

Sincerely,

Casey Beard
Director
Morrow County Emergency Management
