## Superintendent's School Board Report – October 21, 2024

“We are here to help our Students.....”

Navigate Challenges With Grace, Prepare For Their Futures and Anchor Themselves In Our Community.”

### CORRESPONDENCE

**Curry County (Burn Piles across from PHS)** – Aaron has been in contact with the county. Burn piles should be lit on the Monday of Thanksgiving break, minimizing impact on PHS students and staff. Replanting plans will be scheduled following this work, and our PHS students should have learning opportunities available through the restoration process.

### BOARD

**Aaron's Work** – Although we asked for quite a bit more funding, we did receive a US Department of Justice COPS grant in the amount of \$154,313. We have accepted the agreement and will begin working on developing a final expenditure plan based on prioritization of the projects listed.

Aaron has also been busy completing grant reporting requirements for our High School Success, Student Investment Account and Early Literacy Grant awards from the Oregon Department of Education.

### STUDENTS/ACADEMICS

**Parent/Community/Student Engagement Survey and Meeting** – Aaron is working with Ms. Jones to conduct this survey for students later this month, and to hold a Community Engagement work session and survey for families on Tuesday, November 12 at 6pm. This work will continue our work to involve families and the public in our long-range planning efforts.

**At-A-Glance ODE Reports** – Aaron will share these “District and School Report Cards” in your packets and answer any questions you have at the meeting.

### STAFF

**Professional Development** – All Staff continue to work on the District's “Shared Vision For Readiness.” Groups continue to focus on coordinating consistent efforts to meet the needs of students and staff, in a variety of impactful areas.

-Friday, October 11 was Statewide In-Service Day for teachers. Our elementary staff worked in-house with Kathy Helgeson on developing Enhanced Core Reading Instruction practices, and developing strong reading intervention systems, while our PHS teachers were involved in learning about writing across the curriculum through the Oregon Writing Project.
