

To Mr. Larsen and our School Board,
Thanksgiving is upon us, and we should have a lot to be thankful for.
Our bus driver's appreciation week went well, and we had lots of fun.

We handed out 35 tickets in the month of October, 13 of them are suspensions.
We have had 29 reimbursed trips for the month of October.
We have had 8 non-reimbursed trips for last month.
We celebrated Veterans Day with our drivers. We had muffins and fruit (we have 4 veterans).

We would like to Thank Mr. Larsen and the school board for their continued support of our department.
