

To whom it may concern,

I am regretfully giving my resignation at this time for my position as 2nd grade teacher at Bryant school. I will not be returning after the 2012-2013 school year. I will be relocating to San Antonio to explore opening my own business. I would like to thank you for the wonderful 13 years that I have spent in school district 152.

Thank You,

Jassmin Gonzalez
