- ELP Changes suggested by Osprey Wilds
  - No one has been assigned to collect data for indicators 2.2 or 4.2. I have reached out to Rebeca Smith (2.2) and Monique (4.2) to see if those indicators would fit into the Semester 2 MESS-E projects for Social Studies and English. Thank you MaryKay for helping me with that!
  - Rebecca will add 2.2 assessment to Social Studies MESS-E project for semester 2.
  - English department will meet in December to find the best way to incorporate 4.2 into the english MESS-E course.
  - Who is collecting data for the 5.1 salt watch survey? Would that be Emily?
  - Emily will be collecting data for the salt watch.
- Salt Watch Updates
  - Salt watch will be incorporated into the semester 2 seminar separate from the MESS-E projects.
- Messy Updates
  - Still waiting on more data from classes.
- Project Wet feedback/thoughts/questions
  - Janine is trying to find an add-on speaker for closing that may be able to speak about the effect of salt on our water systems.

Action items:

Look into options for incorporating Global outdoor Classroom day/ could we pair this with Earth Day?
