

5. CONSENT AGENDA 3. PURCHASING

5.3.11. GROUND VEHICLE LIFTS

Lead Staff: Miguel Mireles, Dean, Engineering, Math and Physical Sciences Division

Funding Source: Rev Up Grant

Funding Request: \$84,650.87

Vendor	Amount
Snap-on Tools, Inc.	\$84,650.87

Explanation of Purchase: This purchase is for three vehicle lifts for the Automotive Technology program. The new lifts are designed to safely accommodate electric vehicles, allowing them to be properly secured and elevated. This supports hands-on instructional activities in the automotive lab.

This cooperative purchase is pursuant to the Illinois Compiled Statutes, 30 ILCS 525/ Governmental Joint Purchasing Act and the College's Procurement Policy 712 and was competitively bid under Sourcewell contract (#013020-SNP) for Vehicle Lifts, Garage and Fleet Maintenance Equipment Supplies.

Recommendation: Approve a purchase with Snap-on Tools, Inc. of Kenosha, WI for a not-to-exceed amount of \$84,650.87.
