

Champions Night Recap:

The fifth annual Champions Night was a great success. Eleven championship teams were honored on Dec. 14. Almost half of our teams won a league or MHSAA title in the past year. This was one of the most successful year in CHS Athletics history. There was a great crowd for the event. In addition, Coach Mike Young was honored by the teams for his 40 years of coaching wrestling at Chelsea High School. This is an event that we hope to grow and make better in the coming years.
