We hereby apply for the following indirect cost rate:

DEED USE ONLY

Your proposal has been accepted and the following rate approved: 7.75%

Federal Programs - Restricted with Carry Forward

This rate becomes effective July 1, 2025 and remains in effect until June 30, 2026 and will apply to all eligible federally assisted programs as appropriate.

Federal law or grant conditions may limit the amount of indirect cost or the indirect cost rate. For example, if the approved restricted rate is five percent and the law allows only a three percent rate of recovery, then only indirect cost equal to three percent of the direct costs for that program may be recovered.
