GOAL: 4

OBJECTIVE: 4A

SUBJECT:

Consider Board approval of Special Education Staffing and Services.

RATIONALE:

State law requires an approved method for acquisition of goods or services totaling over \$50,000.00 for a 12-month period. Estimated expenditures for Special Education Contracted Services exceed that amount.

Bid Packets were posted online and responses were received from twenty-eight (28) vendors.

RECOMMENDATION:

This will be a “catalogue” type bid award. Due to the urgency involved in the Special Education Staffing and Services and the sometimes unavailability of services from a particular vendor, the administration recommends multiple awards to all responding vendors so that there is no disruption to services for special education students.
