

Minidoka County School District

## **Transportation's Report**

**November 30, 2016**

We hope everyone had a super Thanksgiving.

We have had a few changes this month. Tracy Draper is going to move to Rt. 64 due to the fact that Dean Banner decided to change professions. Good luck Tracy you will be amazing.

We had ten bus citations this month ranging from shooting spit wads to crawling under the seats, to hitting someone and not staying in their seats. All in all the kiddos have been great.

This month we had Terry Merrill come and talk to the drivers about different ways we can communicate with the students. "A smile goes a long way". The driver's really enjoyed the help.

We also did ridership count for the state department this month. The driver's count their students every day, but the state wants to know how many students they carry in a specific week. We do this three times each year but we never know when.

With the holiday season fast approaching we at Transportation would like to wish you and yours a very Merry Christmas and a Happy and Joyous New Year. Thank you for everything you do for me and for my department. :o)

Alicia Bywater  
Transportation Supervisor
