Total: 394

Attendance:

Currently as a school we have 94.03% in the second semester. Below you can see the monthly attendance in comparison to the last three years. .

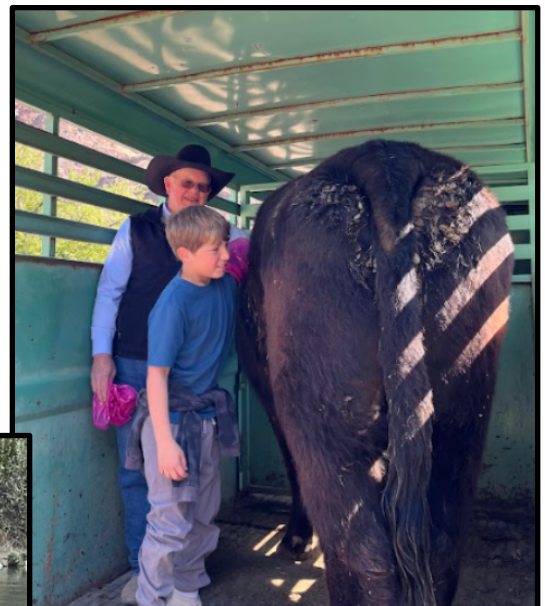

Community Service...

On May 2nd, our Sources of Strength Team (SOS) led by Kim Morin, Kelsey Kirkland, Heather Landa, Cassandra Rosa, Debby Turner, Kimberly Rodriguez, and Margo Phariss spent the day doing community service throughout the town. The students and advisors walked throughout town picking up trash and pulling weeds. They also stopped by one of the local businesses to paint the building, covering up some unwanted graffiti. This is one of those things that makes Homedale great!

Owyhee Dam Field Trip...

Homedale 5th Graders were able to travel to the Owyhee Dam and participate in the annual Owyhee Field Day. This event is organized by the Owyhee Watershed Council and local FFA chapters. Throughout the day, students rotated through a variety of interactive stations, each offering a glimpse into different aspects of outdoor life and natural resource management. Out of the 30 different stations some of the most popular included: rafting, cow digestion, mining, drone demonstrations, and wild horse education. It was a great outdoor classroom experience!

Middle School Band Festival...

The 7th/8th grade band went to Festival for the first time in years and came away with an Excellent rating. Festival is a performance in front of multiple judges, clinicians and peers where every school is rated. Rating goes from Superior, Excellent, Good, Fair and Poor. An excellent rating is outstanding for not having any Festival experience for these young musicians.
