Re: Report to Board of Trustees

READER'S THEATER IN 1ST GRADE: Students from Rebekah Jenkins' 1st Grade class performed a Reader's Theater in our Library. Students performed stories that included "Mr. Wolf and the Three Pigs", "Les Lion and Moe Mouse", "The Troll Bridge" and "All by Myself." It's worth noting that this event was one of the first since before the COVID-19 pandemic that we were able to welcome in parents and family to watch the performances! Our students did a great job and it was a lot of fun to watch them perform!

POP TABS FOR THE RONALD MCDONALD HOUSE: Each grade level collected pop tabs for months in an effort to support the Ronald McDonald House charity. As a school, more than 165 pounds of pop tabs was donated, with Mrs. Harper's kindergarten earning an ice cream party for collecting the most!

KINDERGARTNERS DO BREAD IN A BAG WITH U of I EXTENSION: Recently the University of Idaho Extension Office joined Melanie Harper’s kindergarten class to do a “Bread in a Bag” activity. This is one of many projects that the Extension Office has offered to our students this year. We love partnering with them and providing our students with fun, hands-on learning activities!
