First Reading

### **STRATEGIC PLAN/BOARD GOAL:**

Track 1: Operational Improvements  
*Initiative: Optimize Business Practices*

### **ABSTRACT:**

Board policy revisions require Board approval.

### **ISSUE:**

At issue is to approve the first reading of the proposed revisions to BP 3270 Sale and Disposal of Books, Equipment, and Supplies and open for public comments.

### **BACKGROUND AND/OR PERTINENT INFORMATION:**

The Superintendent/designee presents drafts or suggestions for board policy revisions when the law changes or specific needs occur. Policy revisions shall normally be given two readings prior to adoption by the Board.

This is the first reading of the proposed revisions to BP 3270 Sale and Disposal of Books, Equipment, and Supplies within the Business and Non-Instructional Operations series.

This update moves a majority of the previously passed BP 3270 to an Administrative Regulation and aligns the updates with the Association of Alaska School Boards Model policy. This update also provides the Superintendent greater discretion to dispose of used District property, in an amount up to \$5,000 and the addition of "federal" law. Finally, this update provides that surplus equipment purchased with a federal fund in the amount of \$5,000 or greater must be disposed of in accordance with federal Uniform Administrative Requirements. The title of the policy is also being updated from Sale and Disposal of Books, Equipment, and Supplies (Personal Property) to Sale and Disposal of Books, Equipment, and Supplies.

The Board Policy Committee reviewed the proposed changes, recommends approval and to open it for public comments.

### **ALTERNATIVES:**

1. Approve the first reading of the proposed revisions to BP 3270 Sale and Disposal of Books, Equipment, and Supplies as presented and open it for public comments;
2. Do not approve the first reading of the proposed revisions to BP 3270 as presented;
3. Take no final action.

### **ADMINISTRATION'S RECOMMENDATION:**

The administration recommends the Board approve the first reading of the proposed revisions to BP 3270 Sale and Disposal of Books, Equipment, and Supplies as presented and open it for public comments.

~~the Superintendent for an item with a value of up to \$10,000 or;~~

~~the Board for an item with a value over \$10,000.~~

If the Superintendent determines that the property is worth no more than \$2,500, the property may be sold at a private sale without advertising. Inoperable items remaining after a sale may be disposed of properly.~~

~~The Superintendent or designee shall identify to the School Board all inventoried property not needed by the district, together with the estimated value and recommended disposition. With School Board approval, the Student group projects, under this section, shall be defined as those in which the materials were purchased by the District.~~

Funds received under this program shall be returned to the School Student Activity Fund minus the cost of materials purchased by the District.~~

### **Surplus Property Disposal**

~~It shall be the policy of the District to allow the local administrator, with approval of the Advisory School Board and the Superintendent, to dispose of broken, obsolete, outdated or unusable materials and equipment. In such cases, the local administrator shall verify that the items in question no longer have monetary or educational value to the District before being destroyed or released to the public.
