\*Dual Language Campus does not have DL PreK program

## Propose to Continue the Expansion of the PreK & K DL Program Access in the BHS Zone

*Why? DL programs are important in laying a strong foundation for emergent bilingual students from early childhood through grade 5 and secondary programs.*

» **Identify one additional elementary campus on the east side to provide a PreK & K DL Program for BHS Zone**

The incoming Kinder DL students & current PreK3's and 4's DL would be given the option to participate in a DL classroom at Union Park (east).

- The student numbers will continue to increase after registration for all students new to Denton ISD.

» **Continue the Expansion of the program by adding a kinder DL program at Cross Oaks on the west side for the incoming PreK's for the BHS Zone**

DL students in grades 1-5 will continue to attend Hodge to receive services.

## Need to Identify Space for PreK in the GHS, RHS, DHS Zones

» **GHS: PreK at McNair & future PreK at Adkins**

» **RHS: PreK at Ginnings, an additional PreK at Hodge & future PreK at Pecan Creek**

» **DHS: PreK at Evers Elementary**
