SCHOOL BOARD MEETING REPORT

Board Meeting Date: 12/20 Superintendent: Dave Valenzuela

Administrator/Staff: Erik Lathen

Type of Item: ☐ Informational ☒ Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Erik Lathen has been invited to participate in the Grand Canyon University administrator visit to take place March 4th. GCU will fly Mr. Lathen and the NVHS gap coordinator down to campus on Sunday and will return on Tuesday the 5th. This opportunity will showcase GCU and continue the partnership this university has with our district. Furthermore, this visit is the precursor for a handful of our students to visit the university at no expense in April or May. The entire trip is financially covered by GCU and the district will incur no costs.

Provide history/background information on your proposal:

GCU has a great partnership with our district. At NVHS and across the district there are students who may not have the means to participate in a college visit to the university and GCU is willing to fly 10-20 of our students to campus for a showcase after they have met with the school leadership. The trip will provide the impetus for a great opportunity at no cost for our students.

List the advantages of your proposal:

There is no cost to the district and GCU will be showcased as well as provide NVHS with information to prepare students for a unique experience and opportunity at no cost to the district.

List possible disadvantages of your proposal:

Will be off campus for 2 days in early March.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

No other alternatives would be free of charge to the school and district.
