

Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Culture

In May, the 6th and 7th grade students voted on a new NMS Knight logo. Four different options were presented to the students to choose from. The overwhelming majority of students selected the Knight that is presented in this report. We are now in the process of displaying our new logo throughout the school.
