Request for Personal Electronic Devices Exception

A parent or guardian may request an exception to the personal electronic device prohibition by submitting the following form to the school's principal:

Name of Student _____ Grade _____

School _____

(Note: If the reason for the request is included in the student's individualized education program, as defined in ORS 343.025 or an education plan developed for the student in accordance with section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794, this form is not required.)

☐ This request is in compliance with the student's medical provider's order for the care and treatment of a medical condition (a copy of the order must be attached);

☐ This is a request for a temporary (non-medical) exemption. Temporary exemptions may be requested. Such requests must be for the purpose of providing personalized support for a student given a documented, temporary, individual circumstance. Such requests must be made to the principal. Approved requests will result in a parent/principal meeting to establish the individual, personalized plan which must be based on documented, temporary, unique needs. *Any personal electronic device used under such plan must take place in the main office or counseling office.*
