Purpose of Agenda Item: Action needed

Administrative Recommendation: Move to approve the proposed resolution to recognize May 6-12, 2025 as School Nurses Week in Killeen ISD, as presented.

Background Information: Since 1972, National School Nurses Day was established to foster a better understanding of the role of school nurses in the educational setting. School Nurses Day is officially May 7 this year. National Nurses Week is May 6-12 of each year. School nurses serve an essential role in student, staff, and community health. In that spirit, the administration recommends expanding School Nurses Day to School Nurses Week in Killeen ISD, as an opportunity to recognize the selfless contributions of KISD Nurses to students, staff, and the community.

Presenting will be Dr. Jasmine Mosley, Director for Nurses and Health Services.
