Re: Technology Contractor for 2024 Renovations – 2021 Bond

I would like to request adding the approval of the Phase 3 Bond technology contractor as an agenda item to the April 15, 2024, Committee of the Whole meeting. This is a contract extension to AMcomm via the change order process. Per the district's bond governance, the Board needs to be notified when a change order of \$100,000 or more occurs.

AMcomm was the low responsible technology bidder for the 2023 bond renovations. After consultation with the district's legal counsel, the Bond Team requested AMcomm to hold their 2023 pricing for the 2024 technology bond renovations, and they agreed. Therefore, we will re-engage them via the change order process in the amount of \$260,551.07. No further action needs to be taken by the Board, but I would like to discuss this topic with them at the next Committee of the Whole meeting.

Thank you.
