

# Caleb Michael Jordan

Caleb is a native of Dallas, born at Baylor Hospital on February 3, 2000. He has attended Bray Elementary since first grade. He enjoys Bray because he receives a good education, has great teachers and has lots of friends. He enjoys reading and math. He has always been very helpful around the house, so it is no surprise to see this display of character at school. He loves playing basketball, baseball, dirt bike riding, and decided to tryout for football this year. He is very a personable and loving son. He loves to spend time with family locally and loves to travel to New York. Our son is very special to us, not just because he's ours, but because of the respectable and wonderful young man he is!

His teachers report Caleb is a highly motivated young man with a good sense of humor and a great overall sense of character. Everyone at Bray feels he s a student of honor. He honors his classmates above himself. He is truly a genuine and sincere person that takes the time to consider how someone is feeling and how he might help that individual. He treats all people with respect whether they are students, parents or teachers. He sets the standard for "exemplary" behavior in all that he does. He offers to teach fellow students and offers encouragement to those in need. His kindness is felt throughout the classroom. He truly exemplifies every trait needed to someone of high character! We here at Bray are all very proud to call him ours!
