Hi,

It is time for us to get going on bargaining. We would like to our first meeting to be the 25th or 27th of April. Do either of those dates work for you.

Steve

25th works for us. 4:30 or 5. Are we exchanging proposals at this meeting? Dinner break?

We are meeting today after school. I'll let you know what we have come up with and how far we can get by that time. I'd like to maximize the time we have and work to get things taken care of quickly since it can be tough to make everyone's schedules work.

I think we will want to discuss things like extra duty, insurance, and language for starters. Not sure how late you would like to go. I think last time 7:00 was the magic number. I'd prefer not to go later than that unless we are really clicking. We can provide dinner. Meet at 4:15ish, eat around 5:30ish, stop around 7 or earlier? Not sure

what times are best for whomever is in your group.

Thanks
