

Homedale School District #370

TO: Board of Trustees; Superintendent Rob Sauer
FROM: Moss Strong, HMS Principal
DATE: August 8, 2017
RE: Board of Trustees Report

Academics

5th grade will look a little different this year as students transition to middle school they will have a different teacher for ELA, Math, Social Studies, and Science.

We are investigating routes to accelerate our high performing math students so that they are ready for higher level math classes at Homedale High School.

The middle school faculty will be participating in professional development on August 15.

Facility News

Electric hand dryers are installed and look great

Compliments

Custodians Irma and Jesus have the building sparkling from end to end with all of their hard work this summer
