

Neah-Kah-Nie School District Volunteers of the Month

Jon Welsh is the Neah-Kah-Nie Middle School Volunteer of the Month.

Jon has donated countless hours and financial resources to our Neah-Kah-Nie Youth Organization over the past five years. This year alone he paid for two full sets of football uniforms for our players.

His support allows us to maintain a healthy 5/6 football team, giving those players the chance to play regularly and enjoy the sport. He coaches football and baseball as well, volunteering countless hours of his own time to ensure our 6th graders have a team to play on.

On behalf of Neah-Kah-Nie Middle School I want to thank him for his dedication to our students.
