You will see the recommendations for administrator contract extension in your Board packet. I am continuing with the same philosophy as in years past. The length of extension for principals can be anywhere from 1 to 3 years based on prior year accountability results. I do take into account growth from one year to the next as well as AYP results. The contracts for central administrative positions of Director, Executive Director and Assistant Superintendent are for two years unless otherwise noted.

Our policy calls for a two-year probationary period on administrators new to the district. Please let me know if you have any questions.
