

Notice to Bid Action Item
BELMOND KLEMM COMMUNITY SCHOOL DISTRICT

BACKGROUND:

As a part of the process of building the track, the board needs to tentatively approve the plans, specifications, form of contract and estimated project costs. Michael Murphy from Larson Engineering will be in attendance to share the tentative plans. Mike has drafted both a six and an eight lane track for us to consider.

RECOMMENDED ACTION:

I recommend that the board tentatively approve the plans, specification, form of contract and estimated project costs.

BACKGROUND:

The next step in the process of building the track is to hold a public hearing regarding the plans, specifications, form of contract and estimated project costs. We will also need to authorize publication of the notice for bidders. The notice of the public hearing will need to be advertised in the Belmond Independent two weeks prior to the hearing. The notice to bid must be published on our school website and Master Builders of Iowa trade website.

RECOMMENDED ACTION:

I recommend that the board set a public hearing for January 23, 2025 at 6:30 PM in the HS media center. I recommend the board authorize the publication of the hearing and the notice to bidders.
