BJCD(LLEGAL) SUPERINTENDENT: EVALUATION

A new Administrative Code rule effective January 24, 2019, has been added to this legally referenced policy on superintendent evaluation. The rule allows completion of the Lone Star Governance superintendent evaluation to satisfy the commissioner of education's superintendent appraisal process.

BJCD(LOCAL) SUPERINTENDENT: EVALUATION

Recommended revisions streamline this local policy on superintendent evaluation by deleting specifics about the evaluation instrument and the list of board objectives in conducting the evaluation. These changes were prompted by recently updated Administrative Code rules. The changes also clarify that although the evaluation typically takes place in a closed meeting, the superintendent may request an open meeting.

An overview of legal requirements and links to TASB's Superintendent Evaluation Instrument are available on the [TASB Leadership Team Services](#) website.

CI(LOCAL) SCHOOL PROPERTIES DISPOSAL

This local policy authorizes the superintendent to declare district materials, equipment, and supplies to be unnecessary and appropriately dispose of those items. In response to questions, we have clarified that the scope of this authority includes district vehicles and other district personal property.

In addition, we recommend adding a statement that instructional materials must be disposed of in accordance with law, as the Education Code requires the board to determine that the materials are not needed by the district.

Finally, a change clarifies that property obtained with federal funds or as federal surplus must be managed in accordance with federal law.

Please note that because BJA(LOCAL) permits the superintendent to delegate responsibilities to other employees, we have removed language referring to the superintendent's designee. Contact the district's policy consultant if the board wants to specifically authorize someone other than the superintendent regarding the duties addressed in this policy.

CNC(LEGAL) TRANSPORTATION MANAGEMENT: TRANSPORTATION SAFETY

The offense pertaining to firearms on buses has been deleted from this legally referenced policy on transportation, as the offense is already included at GKA(LEGAL). Other changes are to better match statutory language.

CO(LOCAL) FOOD AND NUTRITION MANAGEMENT

A recommended revision to this local policy expands the provision authorizing the superintendent to develop regulations on donation of food to refer to other disposal methods for leftover food that the district might want to permit, such as implementing a sharing table or selling leftovers. The Texas Department of Agriculture offers [guidance](#) on this topic.

A change at Federal Law deletes the specific references to reimbursable or alternate meals to provide that the district's procedures shall address the parameters under which meals shall be served to a student who has insufficient funds to purchase a meal following exhaustion of the district's meal grace period. The federal USDA Food and Nutrition Service encourages districts to provide a reimbursable meal to such students.

COA(LEGAL) FOOD AND NUTRITION MANAGEMENT: PROCUREMENT

We have added a Note on page 2 referring to the Texas Department of Agriculture's Food and Nutrition Division *Administrator's Reference Manual* for information on contracts regarding consultants, food service management companies, and vended meals.

COA(LOCAL) FOOD AND NUTRITION MANAGEMENT: PROCUREMENT

This local policy is recommended for inclusion in the district's policy manual to comply with state and federal procurement rules on use of child nutrition funds. The text assigns responsibility to the superintendent to oversee the use of federal child nutrition funds to procure goods and services as appropriate and to develop and enforce financial management systems, internal control procedures, procurement procedures, and other procedures to comply with state and federal requirements.

The policy also includes provisions that authorize the superintendent to determine whether the district will apply a geographic preference when procuring unprocessed, locally grown or raised agricultural products to determine the types of products to which the preference would apply and to define the relevant geographic area.

COB(LLEGAL) FOOD AND NUTRITION MANAGEMENT: FREE AND REDUCED-PRICE MEALS

This legally referenced policy on free and reduced-price meals has been updated with additional provisions from existing law that address U.S. Department of Agriculture standards for eligibility hearings and nondiscrimination and confidentiality. A link provides the required nondiscrimination statement posting in a variety of languages.

COB(LOCAL) FOOD AND NUTRITION MANAGEMENT: FREE AND REDUCED-PRICE MEALS

This new local policy is recommended for inclusion in the district's policy manual to address elements of the federal free and reduced-price meal programs.

New text addresses student and parent appeals regarding eligibility for free or reduced-price meal programs. Federal law requires a district to provide a hearing process that meets certain requirements, as described in COB(LLEGAL). The local policy provides an avenue for appeal of the hearing official's decision in accordance with FNG(LOCAL).

As reflected at Civil Rights Complaints, federal and state guidance also requires districts to inform individuals alleging discrimination in school meal programs based on race, color, national origin, sex, age, or disability of the procedures and right to file a complaint with the Texas and U.S. Departments of Agriculture. Any such complaints must be forwarded to the Texas Department of Agriculture.

CPC(LLEGAL) OFFICE MANAGEMENT: RECORDS MANAGEMENT

This legally referenced policy on records management has been updated to include the criminal offenses of destruction or alienation of records and tampering with governmental records.

CR(LLEGAL) INSURANCE AND ANNUITIES MANAGEMENT

This legally referenced policy on insurance has been updated to better match statutory language.

CRB(LOCAL) INSURANCE AND ANNUITIES MANAGEMENT: LIABILITY INSURANCE

This local policy addressing the various types of insurance the district will purchase is recommended for deletion, as these decisions are typically made during the budget process and there is no requirement to reflect these decisions in board policy.

CRF(LLEGAL) INSURANCE AND ANNUITIES MANAGEMENT: UNEMPLOYMENT INSURANCE

Additional detail from existing statute has been added to this legally referenced policy on unemployment insurance to provide more information about reasonable assurance.

DEC(LLEGAL) COMPENSATION AND BENEFITS: LEAVES AND ABSENCES

- Clarification that requests for cameras to be installed the following school year must be in writing;
- At Installation and Operation, the addition of an affirmative statement that the district must operate the cameras during the instructional day at all times when "one or more" students are in the classroom;
- The revision of language regarding areas used for changing a student's clothes to match language in the rules, also at Installation and Operation;

STUDENT RIGHTS AND RESPONSIBILITIES: INVESTIGATIONS AND SEARCHES

This legally referenced policy on student searches has been updated to include case law on intrusive searches, such as a search of a student's underwear. The cases establish the standard that such searches are impermissibly intrusive unless the school officials reasonably suspect that the object of the search is dangerous or likely to be hidden in the student's underwear.

Legal guidance on student searches is outlined in TASB Legal Service's article, [Legal Issues in Student Searches](#).

FNF(LOCAL)

STUDENT RIGHTS AND RESPONSIBILITIES: INVESTIGATIONS AND SEARCHES

This local policy on student investigations and searches has been significantly revised to align with common practices and current case law.

The first section affirms that district officials may question a student about the student's or another student's conduct, and students may not refuse to answer questions based on the right not to incriminate themselves.

Provisions about district property inform students that they have no expectation of privacy in district property and such property may be searched at any time without notice. This would include, for example, blanket searches. Students are responsible for any prohibited items found in district property provided to them.

General search provisions have been added and outline the district's authority to conduct searches of students, their belongings, and vehicles in accordance with law and in a reasonable and nondiscriminatory manner. The policy explains when district officials may initiate a search and the standard for conducting a reasonable-suspicion search.

The policy permits but does not require the district to conduct metal detector searches, including those using handheld wands, and to use trained dogs to screen a student's belongings or an area.

To avoid conflict between policy and administrative procedures on random drug testing, we recommend that the details of the district's drug-testing program be removed from board policy. The policy text addresses the board's authorization of the program, students subject to testing, topics to be addressed in procedures, and appeals. Sample administrative procedures are provided in the [Regulations Resource Manual](#). If you have questions about moving your district's drug-testing details to administrative procedures, please contact your policy consultant.

FOF(LLEGAL) STUDENT DISCIPLINE: STUDENTS WITH DISABILITIES

Provisions on manifestation determinations for students with disabilities have been updated to add an existing statutory provision.
