This month in Bandera ISD

by Bryan Crelia, General Manager-SFE

It was another exciting month in Nutrition Services. Here are some highlights for the month:

SFE Monthly Surplus Earned for District: $5,503.32
SFE YTD Surplus Earned for District: -$-90,462.10

	Regular Meals	Emergency Meals
Breakfast	2,695	3,266
Lunch	6,286	4,643

This has been a very difficult time for Bandera, but we have managed to pull together to help feed our community. I am very proud of our Nutrition Services staff. We have worked together with all Bandera ISD staff in a tremendous effort to safely serve our community.

We are operating at both Hill Country Elementary and Bandera Middle School utilizing a drive-thru meal pick up service. Our staff are never in direct contact with the public, thanks to our new method of delivery. We are not only serving meals for weekdays but weekends as well. We have received great positive feedback from the community, and we will continue to serve them through this health crisis.

Both locations have been updated to feature a contactless system. Meals are place on a cart or table for the guests to grab themselves. The cart will the be sanitized before the next guest picks up their meal.
