**Reviewed 5/2014**

**April 6, 2026**

~~The school district shall operate a vocational education program.~~

The school district shall offer high school students' opportunities to take Career Technical Education (CTE) courses. **The district is dedicated to fostering an inclusive environment where every student has the opportunity to thrive and succeed in CTE pathways. Enrollment in CTE programs is open to all students based on program availability (FTE) and student interest. We actively support participation and success for all learners regardless of race, color, national origin, ethnicity, gender, age, disability, sexual orientation, socioeconomic status, language proficiency, or family background. English Language Learners and students receiving Special Education services are fully supported and will not encounter barriers to enrollment or achievement in any CTE program.**

CTE courses provide students with the skills and knowledge they need for post-secondary education and careers. CTE programs will be offered at each high school and at the Livonia Career Technical Center. All CTE courses shall be organized in accordance with Michigan Department of Education Career and Technical Education Standards and Perkins Core Performance Areas.
