Administrative Consideration:

- In a fair and open solicitation process, it is critical to ensure that any and all interested vendors have a clear understanding of the scope of the project and specifications needed for the successful submission of bids and responses and the ultimate completion of work.
- After further review of the bid specifications, design documents, and all information provided in the CSP #3304-25 request for submissions, and in order to clarify any misunderstandings or ambiguous terms within the design documents, it is the Administration's recommendation to cancel the previously awarded architect selection.

Recommendations:

- That the Lewisville ISD Board of Trustees approves the cancellation of the previously awarded High School Stadium Lighting Replacement Architect Selection.
