

**FOREST LAKE AREA SCHOOLS  
FOREST LAKE, MN 55025**

**January 8, 2015**

**AGENDA ITEM: 12.3**

**TOPIC: APPROVE COURSE DELETION: ADVANCED PLACEMENT  
PHYSICS A, B, C**

**BACKGROUND:** Forest Lake Area High School currently offers two series of Advanced Placement Physics courses. One series requires a foundation in algebra and the other series requires a foundation in calculus.

**PROCESS:** The College Board no longer offers the version of Advanced Placement Physics which is based on a foundation of algebra. The course *Advanced Placement Physics Mechanics, A and B*, is still approved by the College Board and will continue to be offered at Forest Lake Area High School. Students will still have an opportunity for an AP Physics sequence.

**RECOMMENDATION:** Approve course deletion: *Advanced Placement Physics A, B, C*.
