The meeting was called to order by _____, President.

Absent: Members

The following preamble and resolution were offered by Member _____ and supported by Member _____:

WHEREAS, under the terms of Section 1225 of Act 451, Public Acts of Michigan, 1976, as amended (the "Act"), the School District is authorized to borrow money for school operations and issue its notes therefor, in one or more series, pledging for the payment thereof moneys to be received by it pursuant to the State School Aid Act of 1979, Act 94, Public Acts of Michigan, 1979, as amended (the "State Aid Act"), which notes shall be the full faith and credit obligation of the School District; and

WHEREAS, the estimated amount of the state school aid appropriations allocated or to be allocated to the School District for the fiscal year ending June 30, 2016 and expected to be received by the School District from October 2015 through August 2016, inclusive (the "2015/2016 State Aid" or the "Pledged State Aid"), is shown in paragraph 1 of Exhibit A; and

WHEREAS, the School District has the need to borrow the sum of not to exceed the amount shown in paragraph 2 of Exhibit A to pay operating expenses for the fiscal year ending June 30, 2016, which amount is estimated to be not more than 70% of the difference between the total state school aid funds apportioned or to be apportioned to the School District for the 2015/2016 State Aid and that portion of the 2015/2016 State Aid already received or pledged; and

WHEREAS, the School District plans to issue or has issued notes, bonds or other obligations subject to Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), relating to arbitrage and the rebate thereof, including but not limited to federally tax-exempt obligations and Qualified Zone Academy Bonds, not including this borrowing, during calendar year 2015 in the aggregate principal amount shown in paragraph 3 of Exhibit A; and

WHEREAS, the School District determines that it is in its best interest to borrow the sum of not to exceed the amount shown in paragraph 2 of Exhibit A and issue the general obligation notes in one or more series (the "Note" or "Notes") of the School District therefor.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. In the event that an Authorized Officer (defined below) determines that it is in the best interests of the School District to negotiate the sale of the Notes to the Michigan Finance Authority (the "Authority" or "MFA"), the following provisions shall apply:

A. The School District, pursuant to Section 1225 of the Act, shall issue its Notes in one or more series in order to borrow for the above purpose a sum not to exceed the amount shown in paragraph 2 of Exhibit A, the final amount and series designation to be determined by an officer designated in paragraph 4 of Exhibit A, or a designee who shall be a member of the administrative staff or board of education of the School District (each an "Authorized Officer"), prior to the sale of the Notes, or such portion thereof as the Michigan Department of Treasury (the "Treasury") may approve, if prior approval is necessary, and issue the general obligation Notes of the School District therefor in anticipation of the distribution of the Pledged State Aid.

B. The Notes shall be issued in one or more series, bear interest at the rate or rates determined on the sale thereof, which shall not exceed the maximum rate permitted by law at the time of sale, be dated as set forth in paragraph 5 of Exhibit A, or as of the date of delivery, and be due and payable on the date shown in paragraph 5 of Exhibit A. The Notes shall be payable in lawful money of the United States of America at a bank or trust company qualified to act as paying agent in the State of Michigan, as shall be designated by the Authority. The Notes shall be in denominations to be determined by an Authorized Officer prior to the sale of the Notes. The Notes shall not be subject to redemption prior to maturity, except for any mandatory redemption or mandatory payment provisions specified in the Purchase Contract described below.

C. The School District hereby appropriates a sufficient amount of the Pledged State Aid to repay the principal of and interest on the Notes. In addition, the full faith and credit of the School District is hereby irrevocably pledged for payment of the principal of and interest on the Notes and, in case of the insufficiency of the Pledged State Aid, the School District shall pay the Notes from any funds legally available therefor, and, if necessary, levy sufficient taxes on all taxable property in the School District for the payment thereof, subject to applicable constitutional and statutory tax rate limitations.

D. In the event any Authorized Officer determines that it is in the best interest of the School District to choose to pay all or a portion of the principal and interest on the Notes with set-aside installments, the following provisions in this paragraph 1(D) shall apply:

Moneys to pay the principal and interest on the Notes when due shall be set aside in a separate fund with the depository designated in the Purchase Contract described below (the "Depository") in three (3), five (5) or seven (7) consecutive monthly set-aside installments (the "Installment" or "Installments"), ending on July 20, 2016, and earlier on the 20th day of each month (or in the case of February, the 22nd, and in the case of March, the 21st), or such other state school aid payment date as may be provided for under state law (each a "Payment Date"). If a Payment Date falls on a Saturday, Sunday or legal holiday, the Payment Date shall be the next regular business day. The payment to the Depository shall be made first from the Pledged State Aid received during the month of the Installment. If, for any reason, the Pledged State Aid received during the month of the Installment is insufficient to pay the Installment, then in that event the School District pledges to use any and all other available funds to meet the Installment obligation. If the School District fails to set aside all or any portion of an Installment (the "Installment Shortfall") on the Payment Date, the Authority is authorized, pursuant to Section 17a(3) of the State Aid Act, to intercept 100% of the Pledged State Aid to be distributed to the School District beginning with the month following the School District's failure to meet the Installment obligation and all months thereafter, in accordance with the terms and conditions of the Purchase Contract (the "Purchase Contract") between the Authority and the School District. Beginning with the month following the Installment Shortfall, the Authority shall intercept 100% of the Pledged State Aid to be distributed to the School District and apply the intercepted amount on the following priority basis: (A) the Installment Shortfall; (B) the current month's Installment; and (C) any amounts remaining to be immediately distributed to the School District. The intercept process set forth above shall continue each month following the Installment Shortfall until sufficient funds are deposited with the Depository to pay the total principal and interest on the Notes. The

maximum amount of each Installment will not exceed 50% of the amount of Pledged State Aid due to the School District in any set-aside month.

If the School District has failed to deposit all or a portion of an Installment by the last regular business day of the month of the Installment, the Depository is authorized and directed to give written notice to the Authority, the State Treasurer and the School District on the first regular business day following the last regular business day of the month of the failure to deposit all or a portion of the Installment. Upon receipt of such written notice from the Depository, the Authority shall promptly notify the School District that it will immediately commence to intercept 100% of the Pledged State Aid.

If on the date of the final Installment as specified in Schedule I to the Purchase Contract, the funds with the Depository are insufficient to pay the principal of and interest on the Notes when due, the School District, pursuant to Section 17a(3) of the State Aid Act to the extent necessary to meet the payment obligation, assigns to the Authority and authorizes and directs the State Treasurer to advance all or part of any state school aid payment which is dedicated for distribution or for which the appropriation authorizing the payment has been made.

Any Authorized Officer is further authorized to agree, if required by the Authority, to assign to the Authority and authorize and direct the State Treasurer to intercept all or part of any state school aid payment which is dedicated for distribution or for which the appropriation authorizing the state school aid payment has been made pursuant to Section 17(a)(3) of the State Aid Act.

Any Authorized Officer is further authorized to determine that each Installment is a partial mandatory redemption of a particular series of the Notes and that the last Installment is the maturity date of that series of the Notes, and such determination shall be conclusively evidenced by the Purchase Contract described below.

E. Any Authorized Officer is authorized to sell all or a portion of the Notes to the Authority without an Installment payment schedule (the "No Set-Aside Notes") pursuant to the provisions of this resolution. In that event: (a) any Authorized Officer is further authorized to agree, if required by the Authority, to assign to the Authority and authorize and direct the State Treasurer to intercept or advance all or part of any state school aid payment which is dedicated for distribution or for which the appropriation authorizing the state school aid payment has been made pursuant to Section 17a(3) of the State Aid Act; (b) the School District acknowledges that payment of the principal and interest on certain of the No Set-Aside Notes may be secured by a direct-pay letter of credit issued for the account of the Authority and the School District by one or more providers selected by the Authority (each a "Letter of Credit"; and each issuer a "Letter of Credit Bank"); (c) it shall not be deemed a default by the School District under the provisions of the Purchase Contract or the No Set-Aside Notes if the principal and interest on the No Set-Aside Notes shall have been paid in full when due to the Authority from proceeds of a drawing on the Letter of Credit and the drawing on the Letter of Credit is reimbursed by the School District on the designated date set forth in the reimbursement agreement relating to the Letter of Credit; and (d) the School District appoints the Authority as its agent to enter into the reimbursement agreement for and on behalf of the School District, if required by the Authority, as well as on the Authority's own behalf, and the School District agrees to be referred to as an account party in the Letter of Credit obtained by the Authority to secure payment of the No Set-Aside Notes and a series of the Authority's State Aid Revenue Notes issued to finance the Authority's purchase of the No Set-Aside Notes.

F. The President and Secretary of the Board of Education shall execute the Notes on behalf of the School District, and the executed Notes shall be delivered to the Authority upon the receipt of the purchase price therefor. The Vice-President, Treasurer or Superintendent may execute the Notes instead of either the President or Secretary. The foregoing officials are hereby authorized to execute and deliver a

temporary Note or Notes and exchange, when available, final printed Notes therefor at the request of the Authority.

G. Unless the Notes are issued as federally taxable, the School District hereby covenants for the benefit of all holders of the Notes to comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Notes in order that the interest thereon be or continue to be excluded from gross income for federal income taxation purposes, including, but not limited to, requirements relating to the rebate of arbitrage earnings, if applicable, and the expenditure and investment of Note proceeds and moneys deemed to be Note proceeds.

H. If necessary, any Authorized Officer or designee is hereby authorized to make application to Treasury for and on behalf of the School District for an order approving the issuance of the Notes and to pay any applicable fee therefor, or a post-issuance filing fee, as applicable.

I. The President, Vice-President, Secretary, Treasurer, Superintendent, individual acting in the capacity of the school business official, or designee and any Authorized Officer are further authorized to execute any documents or certificates necessary to complete the transaction including, but not limited to, any certificates relating to federal or state securities laws, rules or regulations.

J. The Notes shall be sold to the Authority and the following provisions shall apply:

(i) Any Authorized Officer or designee is hereby authorized to execute and deliver one or more Purchase Contracts with the Authority (which shall be determined by whether one or more series of Notes are issued hereunder) in substantially the form attached hereto as Exhibit B reflecting the terms and conditions of the borrowing with such additions, deletions or substitutions (including without limitation additions, deletions or substitutions required by any Letter of Credit Bank(s) or any original purchaser(s) of the State Aid Revenue Notes issued by the Authority to finance its purchase of the No Set-Aside Notes), as the Authority and any Authorized Officer or designee shall deem necessary and appropriate, including the number of set-asides, if any, and their dates and amounts, and not inconsistent with the provisions of this resolution. The choice of whether to make Installments for the Notes and/or the number, dates and amounts of Installments shall be conclusively evidenced by the Purchase Contract. The Purchase Contract shall include the School District's agreement with respect to any Installment not received by the Depository from the School District on the Payment Date, to pay the Authority an amount as invoiced by the Authority to recover its administrative costs and lost investment earnings attributable to that late payment.

(ii) Any Authorized Officer or designee is further authorized to approve the specific interest rate(s) to be borne by the Notes, not exceeding the maximum rate permitted by law, the purchase price of the Notes, not less than the price specified in paragraph 6 of Exhibit A, a guaranteed investment agreement or other permitted investment in accordance with state law for funds paid to the Depository, if applicable, direct payments of Pledged State Aid to and if required by the Authority, and other terms and conditions relating to the Notes and the sale thereof.

(iii) The form of the Notes shall contain the following language in substantially the form set forth below as applicable, with such additions, deletions or substitutions (not inconsistent with the Purchase Contract) as the Authority and any Authorized Officer or designee shall deem necessary and appropriate:

Series C-1 (with set-asides)

To the extent permitted by law, the principal of and interest on this Note which remains unpaid after this Note has matured shall bear interest until paid at an interest rate per annum based upon a 360-day year for the actual number of days elapsed equal to two

percent (2%) above the stated interest rate on the Authority's State Aid Revenue Notes, Series 2015C-1.

Series C-2 and any additional Series (without set-asides)

To the extent permitted by law, the principal of and interest on this Note which remains unpaid after this Note has matured and all other outstanding and unpaid Payment Obligations (as that term is defined in the Purchase Contract) shall bear interest until paid at an interest rate per annum based upon a 365/366 day year for the actual number of days elapsed or otherwise as provided in the Purchase Contract equal to the Default Fee or the default interest rate as described in Schedule I to the Purchase Contract.

K. By opting to issue its Notes to the Authority, the School District hereby determines that it is in the best interest of the School District to issue its Notes to the Authority rather than sell the Notes at a competitive sale based upon the historical performance of the Authority's note pool program whereby competitive interest rates and reduced costs of issuance are obtained by pooling several participating school districts in one or more series of notes.

L. Within fifteen (15) business days after issuance of the Notes, the Board hereby authorizes and directs the Superintendent to cause to be filed with Treasury any and all documentation required subsequent to the issuance of the Notes, along with any statutorily required fee.

M. The series of Notes issued hereunder are of equal standing as to the Pledged State Aid. The School District reserves the right to issue additional notes or other obligations of equal standing with the Notes as to the Pledged State Aid with the prior written consent of an authorized officer of the Authority. The School District further resolves that the amount payable as to principal and interest on the Notes plus the amount payable as to principal and interest on or prior to the maturity date of the Notes on any additional notes or other obligations of equal standing with the Notes as to payment from Pledged State Aid will not exceed 75% of the amount of Pledged State Aid.

2. In the event that an Authorized Officer determines that it is in the best interests of the School District to sell the Notes to a bank or financial institution through negotiation or by distributing a solicitation for bids, without publication, to obtain bids from banks and/or financial institutions for the purchase of the Note, the following provisions shall apply:

A. Based upon expense considerations associated with publishing a notice of sale, as specified in Section 309(2) of Act 34, Public Acts of Michigan, 2001, as amended, the Board authorizes the distribution of a solicitation for bids, without publication, to obtain bids under the terms of paragraph 2(E) of this resolution.

B. This Issuer shall borrow the sum of not to exceed Six Million Five Hundred Thousand Dollars (\$6,500,000) or such lesser amount as the Department of Treasury may approve or as reduced by a member of either the administrative staff or the Board of the Issuer, and shall issue its note or notes (the "Notes") therefor. The Issuer hereby appropriates a sufficient amount of state aid to repay the principal of and interest on the Notes. In addition, the full faith and credit of the Issuer is hereby irrevocably pledged for payment of the principal and interest on the Notes, and in case of insufficiency of state aid, the Issuer shall pay the Notes from any funds legally available therefor, and, if necessary, levy taxes on all taxable property in the Issuer for the payment thereof, subject to applicable constitutional and statutory tax rate limitations, all pursuant to Act 451. The pledge of full faith and credit is subordinate to any encumbrances or tax levies pledged or to be pledged for the payment of tax anticipation notes issued or to be issued by the Issuer pursuant to Act 34, Public Acts of Michigan, 2001, as amended.

It is hereby declared that said borrowing is necessary for the purpose of securing funds for school operations and it is agreed with the purchaser of said Notes that the proceeds thereof will be used exclusively for that purpose.

C. Said Notes shall be dated as of August 20, 2015, or the date of delivery, shall bear interest from the date thereof until paid at a rate not exceeding four percent (4%) per annum on the balance from time to time remaining unpaid, shall be in minimum denominations of \$100,000, shall be payable to the Registered Owner, in lawful money of the United States of America, at such bank or trust company in the State of Michigan as shall be designated by the original purchaser of the Notes, which paying agent qualifies as such under the statutes of the State of Michigan or of the Federal Government, and shall be due and payable on August 22, 2016. If more than one note is issued, the Notes shall be numbered serially from 1 upwards. Such Notes may be designated, at the option of the purchaser thereof, as a "State Aid Note" or "State Aid Notes".

D. The form of the Notes shall be in substantially the form set forth and attached hereto as Exhibit C.

E. Once the Issuer has either achieved qualified status under Act 34, Public Acts of Michigan, 2001, as amended, or received prior approval for the issuance of the Notes from the authorized representative of the Department of Treasury, and based upon the determination of Paragraph 2(A) of this resolution, a member of either the administrative staff or the Board of the Issuer is authorized to arrange for the sale of such Notes without the taking of competitive bids thereon, provided that when bids, competitive or otherwise, are solicited and more than one bid received, such Notes shall be awarded to the lowest responsible bidder. The Notes shall be executed by the President and Secretary of the Board. In the absence of the President, the Superintendent may sign in the place of the President, and in the absence of the Secretary, the Treasurer of the Board may sign in place of the Secretary.

F. The form of solicitation for bids shall be in substantially the form set forth and attached hereto as Exhibit D.

G. Book Entry. Unless otherwise requested by the purchaser, the ownership of one fully registered note for each maturity, in the aggregate principal amount of such maturity shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"). So long as the Notes are in the book entry form only, the Paying Agent shall comply with the terms of the Blanket Issuer Letter of Representations to be entered into between the Issuer and DTC, which provisions shall govern registration, notices and payment, among other things, and which provisions are incorporated herein with the same effect as if fully set forth herein. The Superintendent is hereby authorized and directed to enter into the Blanket Issuer Letter of Representations with DTC in such form as determined by the Superintendent, in consultation with note counsel, to be necessary and appropriate. In the event the Issuer determines that the continuation of the system of book entry only transfer through DTC (or a successor securities depository) is not in the best interest of the DTC participants, beneficial owners of the Notes, or the Issuer, the Issuer will notify the Paying Agent, whereupon the Paying Agent will notify DTC of the availability through DTC of the note certificates. In such event, the Issuer shall issue and the Paying Agent shall transfer and exchange Notes as requested by DTC of like principal amount, series and maturity, in authorized denominations to the identifiable beneficial owners in replacement of the beneficial interest of such beneficial owners in the Notes, as provided herein.

H. If the Issuer has not achieved qualified status under Act 34, Public Acts of Michigan, 2001, as amended, a member of either the administrative staff or the Board of the Issuer is hereby authorized and directed to file a certified copy of this resolution with the authorized representative of the Department of Treasury for and on behalf of the Issuer and an application for an order approving such borrowing and issuance of said Notes, if applicable, and to pay any applicable fee therefor.

I. The Board hereby designates the Notes of this issue as "Qualified Tax-Exempt Obligations" for purposes of deduction of interest expense by financial institutions under the provisions of the Internal Revenue Code of 1986, as amended. The Board covenants to comply with existing provisions of the Internal Revenue Code of 1986, as amended, necessary to maintain the exemption of interest on the Notes from federal income taxation.

J. A member of either the administrative staff or the Board of the Issuer is further authorized to approve the specific interest rate to be borne by the Notes, not exceeding the maximum rate permitted by law, the purchase price of the Notes, and other terms and conditions relating to the Notes and the sale thereof. A member of either the administrative staff or the Board of the Issuer is directed to execute a certificate accepting the interest rate and purchase price of the Notes on behalf of the Issuer.

K. The Board hereby designates a member of either the administrative staff or the Board of the Issuer to submit a request to the Michigan Department of Treasury for exemption from the rating requirement of Section 323 of Act 34, Public Acts of Michigan, 2001, as amended, if necessary. In the event that request for exemption is denied, the Board designates a member of either the administrative staff or the Board of the Issuer to take any and all necessary steps to secure such a rating.

3. Within fifteen (15) business days after issuance of the Notes, the Board hereby authorizes and directs the Superintendent to cause to be filed with the Department of Treasury any and all documentation required subsequent to the issuance of the Notes, along with any statutorily required fee.

4. The President, Vice President, Secretary, Treasurer, Superintendent and the individual acting in the capacity of the school business official are each further authorized to execute any documents or certificates necessary to complete the transaction. Any of those officers may designate, in writing, an individual to act in their place with respect to the powers conveyed in this paragraph.

5. The Authority has appointed Thrun Law Firm, P.C. to act as counsel to the loan arranger for the August 2015 state aid note program. The School District consents to Thrun Law Firm, P.C. representing this School District and acting as counsel to the loan arranger for the Authority's August 2015 state aid note program.

6. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

EXHIBIT B

FORM OF PURCHASE CONTRACT

[Insert Name of School District Here]

The Michigan Finance Authority (the "Authority"), a public body corporate, separate and distinct from the State of Michigan, hereby offers to enter into this Purchase Contract with the Issuer named below (the "Issuer") which, upon the acceptance of this offer by the Issuer, will be binding upon the Authority and the Issuer. This offer is made subject to acceptance on or before the date set forth below. The Issuer accepts the electronic or digital signature of the Authority's Executive Director (or other authorized officer of the Authority) if set forth below and acknowledges that it has the same legal effect and enforceability as a manual signature.

Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, including those set forth on Schedule I hereto, the Authority hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Authority, notes (the "Notes") in the principal amount and with the interest rate as shown on Schedule I. The purchase price for the Notes shall be as set forth on Schedule I.

[The Issuer acknowledges that the Authority will purchase the Notes with proceeds from certain State Aid Revenue Notes to be issued by the Authority (the "Authority's Notes").] The Issuer represents and warrants to, and agrees with, the Authority that (A) the Issuer has, and on the Closing Date (specified below) will have, full legal right, power and authority (1) to enter into this Purchase Contract, and (2) to sell and deliver the Notes to the Authority and pledge and assign to the Authority the moneys to be received by the Issuer pursuant to the State School Aid Act of 1979, as amended (the "State School Aid") as provided herein and in the resolution authorizing the Notes and the Issuer has duly authorized and approved the execution and delivery of and the performance by the Issuer of its obligations contained in this Purchase Contract including those set forth in Schedule I; and (B) the Issuer shall promptly pay its pro rata share of the Costs of Issuance upon notification by the Authority. The term "Costs of Issuance" shall mean and include printing charges, rating agency charges, trustee fees, note counsel fees, fees and expenses of a purchaser (the "Purchaser") of all or a portion of the Authority's Notes [(as defined below)], and other counsel fees and issuance fees of the Authority and the Purchaser related to the Authority's Notes; provided, however, that the Issuer's pro rata share of such Costs of Issuance shall not exceed the amount shown on Schedule I hereto. The terms "Purchaser", "Holder" and "Holders' Representative" shall have the same meanings as defined in the Note Purchase Agreement(s) dated _____, 2015 between the Authority and _____ (the "Note Purchase Agreement").

IF THREE, FIVE OR SEVEN SET-ASIDES ARE APPLICABLE, THE FOLLOWING LANGUAGE SHALL BE INCLUDED IN THE PURCHASE CONTRACT:

[The Issuer pledges to pay the principal and interest on the Notes from its State School Aid appropriations allocated or to be allocated to it for the fiscal year ending June 30, 2016 and to be paid during October 2015 through August 2016, inclusive (the "Pledged State Aid"). Moneys to pay the principal and interest on the Notes when due shall be set aside in a separate fund with the Depository (as defined in Schedule I hereto) as hereinafter described in 3, 5 or 7 installments (the "Installment" or "Installments") as specified in Schedule I, commencing (i) in the case of 3 installments, on May 20, 2016, (ii) in the case of 5 installments, on March 21, 2016, and (iii) in the case of 7 installments, on January 20, 2016, and thereafter on the 20th day of each month (or in the case of February, the 22nd, and in the case

of March, the 21st) to and in each case ending on [July 20], 2016, or such other State School Aid payment date as may be provided for under state law (the "Payment Date"). If a Payment Date falls on a Saturday, Sunday or legal holiday, the Installment shall be due on the next regular business day. The payment to the Depository shall be made first from the Pledged State Aid received during the month of the Installment. Notwithstanding the foregoing, the Issuer hereby irrevocably directs the State of Michigan to directly transfer to the Depository payment of the Issuer's current month's Installment from the Pledged State Aid received during the month of the Installment on the Payment Date. If, for any reason, the Pledged State Aid received during the month of the Installment is insufficient to pay the Installment, then in that event the Issuer pledges to use any and all other available funds to pay the Installment obligation. If the Issuer fails to set aside any portion of an Installment (the "Installment Shortfall"), pursuant to Section 17a(3) of the State School Aid Act of 1979, as amended (the "Act"), the Authority is authorized to intercept 100% of the Pledged State Aid to be distributed to the Issuer. Beginning with the month following the Installment Shortfall, the Authority shall intercept 100% of the Pledged State Aid to be distributed to the Issuer and apply the intercepted amount on the following priority basis: (A) the Installment Shortfall; (B) the current month's Installment; and (C) any amounts remaining to be immediately distributed to the Issuer. The intercept process set forth above shall continue each month following the Installment Shortfall until sufficient funds are deposited with the Depository to pay the principal of and interest on the Notes. The Authority shall promptly notify the Issuer that it will immediately commence to intercept the Pledged State Aid.

Each Installment shall be treated as a mandatory redemption of a portion of the principal of the Notes and also payment of accrued interest thereon to the date of the Installment, which together shall be equal to the amount of such Installment.

If the Issuer has failed to deposit all or a portion of an Installment by the last regular business day of the month of the Installment, the Depository is authorized and directed to give written notice to the Authority, the State Treasurer and the Issuer on the first regular business day following the last regular business day of the month of the failure to deposit all or a portion of the Installment. Upon receipt of written notice from the Depository, the Authority shall promptly notify the Issuer that it will immediately commence to intercept 100% of the Pledged State Aid.

If on the date of the final Installment as specified in Schedule I hereto, the funds on deposit with the Depository are insufficient to pay the principal of and interest on the Notes when due, the Issuer, pursuant to Section 17a(3) of the Act, to the extent necessary to meet the payment obligation assigns to the Authority and authorizes and directs the State Treasurer to advance all or part of any payment which is dedicated for distribution or for which the appropriation authorizing payment has been made under the Act.

If at any time and from time to time prior to the maturity date of the Notes the Authority has reason to believe that the Issuer will be unable to pay in full the principal and interest on the Notes when due, the Authority, in its sole discretion, may by phone or email:

- (i) request from the Issuer a written confirmation of both its ability to pay the Notes when due and a description of the source(s) of funds for the repayment of the Notes. If the Issuer fails within ten (10) days to provide such confirmation to the satisfaction of the Authority, the Issuer hereby authorizes the intercept of any Pledged State Aid to be distributed to the Issuer earlier than August 2016 in such amount as determined by the Authority to be appropriate and further authorizes the Authority to give notice to the State Treasurer to intercept that amount of any Pledged State Aid which has not already been transferred to the Issuer. Any Pledged State Aid which is thus intercepted shall be transferred to the Depository and shall, after the Authority's Notes are paid, be applied on the following priority basis: (1) to the Purchaser, all other amounts due and owing to the Purchaser under its Note Purchase Agreement with the

Authority and the Depository relating to the 2015C-1 Notes, and (2) any amount remaining to be immediately distributed to the Issuer]; and/or

(ii) give notice to the Issuer requiring the Issuer to enter into one or more Tax Intercept Agreements (each a “TIA”) to provide additional security for the payment of the Notes. Each TIA shall be in a form prescribed by the Authority, with such additions, deletions or substitutions reasonably required by any local taxing unit that collects operating taxes revenues collected for the Issuer, and the delinquencies thereon, on behalf of the Issuer, as the Authority and any Authorized Officer or designee shall deem necessary and appropriate.]

IF NO SET-ASIDE INSTALLMENTS ARE APPLICABLE, THE FOLLOWING LANGUAGE SHALL BE INCLUDED IN THE PURCHASE CONTRACT:

[The Issuer acknowledges that: (i) the Authority will purchase the Notes with proceeds from the State Aid Revenue Notes, Series 2015C-2 and Series 2015C-3, to be issued by the Authority (the “Authority’s Notes”); (ii) the Authority’s Notes of Series 2015C-2 (the “2015C-2 Notes”) will be directly purchased from the Authority by _____, unsecured by any letter of credit; and (iii) the Authority’s Notes of Series 2015C-3 (the “2015C-3 Notes”) will be directly purchased from the Authority by _____, unsecured by any letter of credit.

The Issuer [(i) irrevocably directs the State of Michigan to directly transfer to the Depository the mandatory payment (the “Mandatory Payment”) from the current month’s installment of the Pledged State Aid in the amounts and on the payment dates (the “Payment Dates”) as set forth in Schedule I attached hereto; and (ii)] agrees that it will deposit[, including in accordance with any Mandatory Payment schedule in Schedule I,] with the Depository (as defined in Schedule I) payment of the principal of and interest on the Notes in immediately available funds, the full amount of such principal and interest on the Notes to be received by the Depository by 11:00 a.m. on the maturity date of the Notes. The Issuer pledges to pay the principal and interest on its Notes from the 2015/2016 State School Aid to be allocated to it and to be paid during October 2015 through August 2016, inclusive (the “Pledged State Aid”).

Not later than August __, 2016, the Issuer shall determine whether there will be sufficient funds on deposit with the Depository on August 22, 2016 (the maturity date of the Notes) to pay the principal of and interest on the Notes when due on that maturity date. If the Issuer determines that there will be insufficient funds on deposit with the Depository on August 22, 2016 to pay the principal of and interest on the Notes on the maturity date of the Notes, the Issuer will so notify the Authority by telephone and email not later than August __, 2016 (email to: TreasMFASchoolAidNote@michigan.gov; and telephone the Executive Director, 517-335-0994).

If on the maturity date of the Notes there are insufficient funds on deposit with the Depository to pay the principal of and interest on the Notes when due, the Issuer, pursuant to Section 17a(3) of the Act, to the extent necessary to pay the principal of and interest on the Notes when due and any other amounts owed by the Issuer as set forth in Schedule I (together the “Payment Obligations”), assigns to the Authority, pledges to the payment of the Payment Obligations, and authorizes and directs the State Treasurer to intercept or advance all or part of any State School Aid payment which is dedicated for distribution to the Issuer or for which the appropriation authorizing the payment has been made under the Act. The Issuer acknowledges that a State Aid Agreement will be executed among the Authority, the State Treasurer, the Depository, and the Trustee for the Authority whereby the State Treasurer agrees to intercept and/or advance all or part of any State School Aid as described under this Purchase Contract. The Authority in its sole discretion may determine the amount of any State School Aid payment to be

intercepted and the dates for such collection and application. The Authority and the Issuer may also agree to the collection and application of other Issuer revenues to any unpaid Payment Obligations. State School Aid payments shall continue to be intercepted until all Payment Obligations have been paid in full. Notwithstanding the foregoing:

(A) The Issuer hereby irrevocably directs the State of Michigan to pay to the Depository 100% of the Pledged State Aid to be distributed to the Issuer on the August 2016 payment date, or the balance thereof to the extent all or a portion of it, prior to the August 2016 payment date, has been advanced to satisfy any Installment Shortfall of the Issuer for payment of the Authority's State Aid Revenue Notes, Series 2015C-1, and the Depository shall apply the August 2016 State School Aid payment on the following priority basis: (1) first, concurrently on a parity, pro rata basis, to pay to the Holder(s) of the 2015C-2 Notes and the Holder(s) of the 2015C-3 Notes the principal and interest due on the 2015C-2 Notes and the 2015C-3 Notes, respectively, on August 22, 2016, and second, concurrently on a parity, pro rata basis, to pay to each Holders' Representative all other amounts due and owing under its respective Note Purchase Agreement with the Authority relating to the 2015C-2 Notes or the 2015C-3 Notes; and (2) any amount remaining to be immediately distributed to the Issuer; and

(B) if (1) the Issuer's August 2016 State School Aid payment will be less than the principal and interest on the Notes and other notes issued by the Authority payable therefrom and (2) the Issuer will pay any of the remaining amount due from any source other than proceeds from its borrowing in the Authority's August 2016 state aid note pool, the Issuer shall give written notice not later than August __, 2016 to the Authority and the Depository specifying each such source and amount (*e.g.*, \$_____ will be wired to the Depository from [bank name]); and

(C) if at any time and from time to time prior to the maturity date of the Notes the Authority has reason to believe that the Issuer will be unable to pay in full the principal and interest on the Notes when due, the Authority, in its sole discretion, may by phone or email:

(i) request from the Issuer a written confirmation of both its ability to pay the Notes when due and a description of the source(s) of funds for the repayment of the Notes. If the Issuer fails within ten (10) days to provide such confirmation to the satisfaction of the Authority, the Issuer hereby authorizes the intercept of any Pledged State Aid to be distributed to the Issuer earlier than August 2016 in such amount as determined by the Authority to be appropriate and further authorizes the Authority to give notice to the State Treasurer to intercept that amount of any Pledged State Aid which has not already been transferred to the Issuer. Any Pledged State Aid which is thus intercepted shall be transferred to the Depository and shall be applied after the Authority's Notes are paid in the same manner as provided in paragraph (A) above; and/or

(ii) give notice to the Issuer requiring the Issuer to enter into one or more Tax Intercept Agreements (each a "TIA") to provide additional security for the payment of the Notes and the Issuer shall take the actions necessary to enter into the TIA(s). Each TIA shall be in a form prescribed by the Authority, with such additions, deletions or substitutions reasonably required by any local taxing unit that collects operating taxes revenues collected for the Issuer, and the delinquencies thereon, on behalf of the Issuer, as the Authority and any Authorized Officer or designee shall deem necessary and appropriate.

(D) Failure to pay all or a portion of the Payment Obligations to the Authority not later than August 22, 2016 shall constitute an event of default ("Default") under this Purchase Contract and the Authority's, the Holders' and the Holders' Representatives' rights and remedies upon such Default shall be as set forth in this Purchase Contract and Schedule I and in applicable law.]

The Issuer consents to the Authority's pledge and assignment of and grant of a security interest in the Authority's rights and interest (subject to certain rights of indemnification) in the Notes and this Purchase Contract as security for the Authority's Notes and a Trust Indenture dated as of August 1, 2015, issued by the Authority pursuant to its Note Authorizing Resolution adopted May 14, 2015, and for the Authority's obligations under a Note Purchase Agreement between it and any Holder of the Authority's Notes.

The Issuer acknowledges that Section 15 of the Authority's enabling statute, the Shared Credit Rating Act, as amended, provides for a statutory lien on the Authority's pledge of the Pledged State Aid which is paramount and superior to all other liens for the sole purpose of paying the principal of, and interest on, the Authority's Notes.

The Issuer further acknowledges that Section 17a(3) of the Act does not require the State to make an appropriation to any school district or intermediate school district and shall not be construed as creating an indebtedness of the State.

With respect to any payment not received from the Issuer by the Depository by the time and date due under this Purchase Contract, the Issuer agrees to pay the Authority an amount as invoiced by the Authority to recover its administrative costs attributable to the late payment. The Issuer further agrees to reimburse the Authority (A) for any and all amounts which the Authority may have to rebate to the federal government due to investment income which the Issuer may earn in connection with the issuance or repayment of its Notes and (B) for the Issuer's pro rata share of the Costs of Issuance that were paid by the Authority in the event that the Authority is required to rebate investment earnings to the federal government regardless, in either case, whether the Issuer is subject to such rebate or not. In the event the Issuer does not meet any arbitrage rebate exception pursuant to the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, relative to the Notes, the Issuer will make any required rebate payment to the federal government when due.

The Issuer shall make the Notes and its Closing Documents (defined below) available for inspection by the Authority on August __, 2015, at the offices of the Thrun Law Firm, P.C., East Lansing, Michigan. At 9:00 a.m., prevailing Eastern time, on August 20, 2015 ("Closing Date"), the Issuer shall deliver the Notes to the Authority at the offices of Miller, Canfield, Paddock and Stone, P.L.C., Lansing, Michigan, together with such other documents, certificates and closing opinions as the Authority shall require (the "Closing Documents") and the Authority shall accept delivery of the Notes and the Closing Documents and pay the purchase price for the Notes.

(Remainder of Page Intentionally Left Blank)

The Authority shall have the right in its sole discretion to terminate the Authority's obligations under this Purchase Contract to purchase, accept delivery of and pay for the Notes if the Authority is unable for any reason to sell and deliver the Authority's Notes on or prior to the Closing Date.
