The School of Choice

**St. Valentine's Day
Special Message**

Love you forever, by Robert Munsch is a story about a mother's love for her son. What is learned by the son is something that I hope that every child that attends Christoval learns from our faculty and staff. The greatest triumph will be when our students apply the love that was given to them to the next generation of young people born into this world.

The story may be accessed on YouTube at:
