- Madi Ferris - 1st Grade Teacher
- Sami Nelson - Teaching & Learning Coach

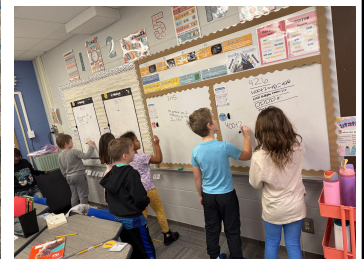

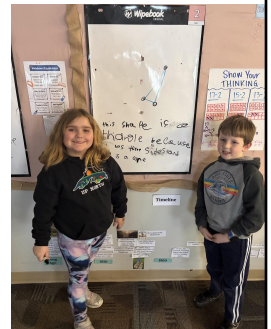

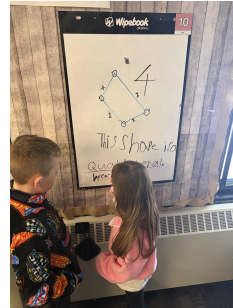

Washington's 2026-2027 Focus

- Literacy Learning
- Math Learning
- Students Feeling Valued at School

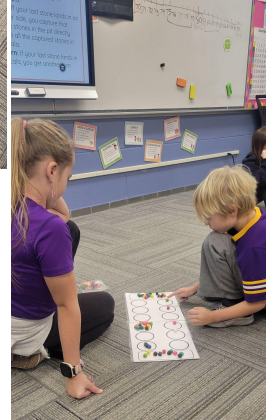

Leveling Up Math

- ❑ **Professional Development for all**
 - ❑ PD Days (math sessions on effective mathematical practices)
 - ❑ Collaboration Days
 - ❑ Furthering mathematical practice work
 - ❑ Building Thinking Classrooms next steps

Leveling Up Math

- ❑ Math Intervention
 - ❑ Assessment driven intervention
 - ❑ Educational Assistant and teacher groups
 - ❑ Co-teaching in classrooms
- ❑ Math Family Night
- ❑ Implementing Illustrative Math (2nd and 4th)
 - ❑ Math thinking and conversations are leveled up
 - ❑ Structure of math has shifted

Leveling Up Writing - Bonus

We expected our new literacy curriculum to build knowledge and comprehension, but the growth in writing has been remarkable!
