RE: Request for Purchase - GHS Furniture

DATE: April 4, 2018

The High School & District Administration met last year to look at furniture options due to the need for new classroom and collaborative learning furniture. The decision was made to move forward with the 21st Century Learning Environment model that aligns with our district goals.

\$100,000.00 was budgeted this year to start replacing furniture in phases over the course of several years.

I am requesting approval to purchase the first phase of furniture. The proposal received from Lowery McDonnell Company utilizing the Geneva CUSD#304 National Joint Powers Alliance (NJPA) membership, resulted in a cost of \$89,595.60. Please see attached proposal.
