Director of Dining Services, Child Nutrition

Hallsville ISD

CC: Board Of Trustees

Date: February 2025

Re: Chartwells

The Child Nutrition Dept. has overcome some staffing issues and is back fully staffed. We are working hard with the vendors to get the new equipment installed at this time. We are going to be kicking off some fun marketing events in March at the elementary schools. We are also working on new ideas for the High School snack bar that is currently open. We are also gearing up to try and take the commodity processing to the next level.

Dining Services at 903-668-5990 ext. 1407 or [aparham@hisd.com](mailto:aparham@hisd.com)

Thank you
