**SUBJECT:** Update 89, EHBB (Local)  
**DATE:** April 6, 2011

As part of Update 89, EHBB (Local) has been revised to reflect the district's Gifted and Talented procedures for "Reassessment" and "Transfer Students Interdistrict".

The section on "Reassessment" reflects the district's procedure to reassess every student when he/she moves from grade 2 to grade 3.

The section on "Transfer Students Interdistrict" reflects the district's procedure when a student enrolls in the district after having been identified as gifted in a previous school district. In Aledo ISD, we assess the student during the next screening period.

We recommend Update 89, EHBB (Local) as presented.
