

**SUBJECT:** Consideration and possible approval of the Cooperative Agreement with University of Texas Health and Science Center of San Antonio and Pasadena Independent School District for Clinical Intern Placement.

**BACKGROUND:** University of Texas Health and Science Center of San Antonio provides teacher certification for students. This agreement will provide student interns the opportunity to complete the necessary certification requirement of clinical teaching and placement of clinical teachers in Pasadena Independent School District.

**FINANCIAL IMPLICATIONS:** There will be no impact on the general fund.

**RECOMMENDATION:** We recommend approval of the Cooperative Agreement with University of Texas Health and Science Center of San Antonio and Pasadena Independent School District for Clinical Intern Placement.
